ATTENDANCE POLICY

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

ATTENDANCE POLICY

3. Roles and responsibilities

Wetherby Senior School recognises improving attendance is everyone's business. The barriers to accessing education are wide and complex, both within and beyond the school gates, and are often specific to individual pupils and families. Good attendance begins with school being somewhere pupils want to be and therefore the foundation of securing good attendance is that school is a calm, orderly, safe, and supportive environment where all pupils are keen and ready to learn.

3.1 Working together to improve attendance

We will adopt the following processes when responding to attendance issues:

- **Expect -** Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.
- **Monitor -** Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched
- **Listen and understand** When a pattern is spotted, discuss with pupils and parents to listen to and understand barriers to attendance and agree how all partners can work together to resolve them.
- **Facilitate support** Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues
- **Formalise support** Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through an attendance contract or education supervision order.
- **Sanctions –** consider what sanctions are available to respond, where all other avenues have been exhausted.

3.2 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority

ATTENDANCE POLICY

- Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

3.3 The Headmaster

The Headmaster is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers

ATTENDANCE POLICY

- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.4 The designated senior leader responsible for attendance

The designated senior leader is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is Christine Pheiffer and can be contacted via Christine.pheiffer@wetherbysenior.co.uk

3.5 The attendance officer

The *pro tem* attendance officer is Christine Pheiffer and can be contacted via christine.pheiffer@wetherbysenior.co.uk

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence

3.5.1 Attendance and safeguarding

The attendance officer / class teacher will inform the designated safeguarding lead (DSL) or deputy DSL as soon as possible when a child, with existing safeguarding concerns, does not attend school.

ATTENDANCE POLICY

Where there are concerns that an absence may indicate a child protection concern, the attendance officer / class teacher will inform the DSL or DepDSL as per the schools child protection and safeguarding policy.

3.6 Form tutors

Form tutors are responsible for recording attendance for both morning sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office on the same day.

3.7 School reception staff

School reception staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Head of Section where appropriate, in order to provide them with more detailed support on attendance

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence or send an email to absence@wetherbysenior.co.uk before 8am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child and make sure this is kept up to date.
- Ensure that, where possible, appointments for their child are made outside of the school day
- Where a pattern of absence is a risk or becoming, or becomes, problematic, the most appropriate person at school will:
 - a) Support pupils and parents by working together to address any in-school barriers to attendance.
 - b) Where barriers are outside of the school's control, all partners should work together to support pupils and parents to access any support they may need voluntarily. As a minimum, this should include meeting with pupils at risk of persistent or severe absence and their parents to understand barriers to being in school and agreeing actions or interventions to address them. This may include referrals to services and organisations that can provide support and advice will be taken from the designated safeguarding

ATTENDANCE POLICY

lead where necessary. These actions should be regularly discussed and reviewed together with pupils and families.

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.25am and ends at 4.10pm.

Pupils must arrive in school by 8.25am on each school day.

The register for the first session will be taken at 8.25am and will be kept open until 8.35am. The register for the second session will be taken at 9.05am and will be kept open until 9.15am.

ATTENDANCE POLICY

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8am, or as soon as practically possible, preferably by sending an email to absence@wetherbysenior.co.uk or by calling the school reception staff, who can be contacted via 02075353530.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

A medical note is required for public examinations.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Leaves of absence are requested from the Deputy Head (staff & operations), David Lawrence via david.lawrence@wetherbysenior.co.uk

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- The school responds to punctuality issues using various sanctions such as detention or gating. The school informs parents where there are ongoing concerns around punctuality and works with them to find solutions.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Where there are existing safeguarding concerns, the DSL MUST be informed of the absence.
- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the LADO.
- Identify whether the absence is approved or not

ATTENDANCE POLICY

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via half-termly written reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

For all planned absence, including medical appointments (which should as far as possible be arranged out of normal school hours), permission must be sought in writing in advance from the Deputy Head (Staff & Operations) david.lawrence@wetherbysenior.co.uk. Please provide a scan of the medical appointment letter as all absences must be verified before they can be marked as authorised. Please note that, other than in exceptional circumstances, it is unlikely that authorisation for any other absences will be granted. This includes early travel arrangements prior

ATTENDANCE POLICY

to holidays. Parents requesting leave for their son to observe religious holidays should also contact the Deputy Head (Staff & Operations).

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance.

- Letter sent to parents.
- Formal absence meeting to discuss action plan regarding attendance rate.
- Contacting Social Services for advice on a Child Missing Education threshold.

6. Strategies for promoting attendance

- Attendance and lateness will appear on the front of student's bi-annual reports.
- Half termly attendance reports sent to parents.
- Parents of children with poor attendance invited into school to discuss how to improve their child's attendance and create an action plan.

ATTENDANCE POLICY

- Regular reminders in newsletters of the importance of attendance and being on time for school.
- Attendance is incentivised via awards at termly Celebration Assemblies

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

We recognize that some pupils experience Emotionally Based School Avoidance (EBSA), where anxiety or emotional difficulties create significant barriers to attending school.

Our approach to supporting pupils with complex barriers to attendance focuses on collaboration, early intervention, and tailored strategies to meet individual needs. We prioritise building strong relationships with families, maintaining regular and compassionate communication to understand the underlying causes of absence. Where appropriate, we conduct home visits or hold family meetings to establish trust and identify challenges.

In addressing these barriers, we take steps to thoroughly assess both external factors, such as financial difficulties or transportation challenges, and internal issues, such as bullying or social anxieties. To provide a holistic response, we collaborate with external agencies, to support the pupil and their family.

Within the school, we strive to create a safe and welcoming environment. This includes implementing strategies such as peer mentoring to help pupils feel supported and valued. Flexible timetables or phased returns are offered to ensure pupils can reintegrate at their own pace. Where necessary, we provide access to the Wellbeing Service or pastoral support to address emotional needs and help remove barriers to attendance.

7.2 Pupils absent due to mental or physical ill health or SEND

For pupils absent from school due to mental or physical ill health or SEND, we adopt a supportive and inclusive approach that acknowledges their unique challenges. Working closely with families, we establish open lines of communication to understand the pupil's needs and ensure consistency between school and home support. We actively involve healthcare professionals and specialists to provide tailored strategies and accommodations

To support these pupils, we implement reasonable adjustments within the school environment. This may include adapting lesson delivery methods, such as providing access to notes or online resources, and making adjustments like offering rest breaks.

Additional support is also provided through personalised learning plans or targeted interventions to help the pupil remain engaged in their education. A member of the pastoral team may be assigned to monitor their progress and act as the main point of contact for the family.

ATTENDANCE POLICY

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Supporting pupils who return to school after a lengthy or unavoidable absence requires a thoughtful and structured approach. We develop individualised reintegration plans tailored to the pupil's specific circumstances and needs. This process is carried out in collaboration with the pupil's family and, where appropriate, the Wellbeing Team. To ease the transition, we often implement gradual re-entry schedules, such as part-time attendance or adjusted timetables.

Pastoral and academic support play a central role in reintegration. A pastoral lead is assigned to provide emotional and practical guidance, helping the pupil navigate any challenges they may face. To address potential learning gaps, we conduct a needs assessment and offer targeted support.

We monitor the pupil's progress closely, regularly reviewing their reintegration plan and making adjustments as necessary. Pupil feedback is actively sought to ensure they feel involved and supported throughout the process.

In addition to academic and emotional support, we work to rebuild the pupil's social connections and foster a sense of belonging. Participation in extracurricular activities, school clubs, and events is encouraged, helping pupils reconnect with peers and the school community. Any stigma or challenges associated with their absence are addressed through awareness-raising and the promotion of inclusivity.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends

ATTENDANCE POLICY

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Understand any blocks to attendance for children with SEND.
- Review attendance for children where there are current safeguarding risks and share information with partner agencies where relevant.

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to form tutors to facilitate discussions with pupils and families, and to the governing board and school leaders (including the SENCO & DSL).
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority Attendance and Early Help services, where relevant

ATTENDANCE POLICY

- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Christine Pheiffer as DSL. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
